

So High (Co-Starring B.o.B)

Slim Thug

She likes it real slow, slow
Then we speed it up like oh, oh
Baby turn around like so, so
Now we got it just right, something that we both like
Baby we could go so high, so high
Higher than you've ever been, high
Higher than you've ever been, highNow we got it just right, something that we both like
Baby we could go so high, so highSo high thug'll make her head touch the sky
It so good she look like she's about to cry
Opposite of drop baby stay soaking wet
It's the best-est
It's good as it gets
She rubbing' on my chest
I'm kissin' on her neck
We're goin' long goin'
Strong body full of sweat
And like a sack strong duba
Got her mind blown
Every time she come home
She trying to climb on
Addicted to the dick
Stay tryin' to get ahead
Day time, we make time just to get it quickI tell her meet me here
Like I'm about to hit a lick
Bring her over and let her get quickShe likes it real slow, slow
Then we speed it up like oh, oh
Baby turn around like so, so
Now we got it just right, something that we both like
Baby we could go so high, so high
Higher than you've ever been, high
Higher than you've ever been, highNow we got it just right, something that we both like
Baby we could go so highFirst she wants it slow
Then she wants it beat
Then she wants it deep
Then she taps into that inner freak
Don't be shocked
Just let loose and show me how wet is your seat
I like her and she likes her
And I'm like why must we complete

Now it's three of us deep
And naughty
And I don't need no sheets
I'm sleeping in the stars
The Scorpio's my sign
So, I'm just the type of guy
We're flying where you've never been
We feelin' get high
Yes higher than you've ever been
Higher than cloud nine
We're going where you've never been
So, sit yo' ass down
Like the saying in this song
Let me see you turn around
We got it like the haters going down for the count
She likes it real slow, slow
Then we speed it up like oh, oh
Baby turn around like so, so
Now we got it just right, something that we both like
Baby we could go so high, so high
Higher than you've ever been, high
Higher than you've ever been, high
Now we got it just right, something that we both like
Baby we could go so high
I aim to please
So believe I leave you satisfied
A lifetime warranty whenever you ride
I say that with pride and I honor that
It's guaranteed good service you'll be coming back
Just like the drug, girl you need thug
Got you in love
Thug will make her heart speed up
Roll the weed up
It's time for thug bashin'
Now put your feet up
And I'm a keep smashing
Keep lessen 'till your higher than you've veer been
I take your mind and body places it ain't ever been
Yeah
Just hit me up if you need a hit
Thug boss on his way
If she need a fix
She likes it real slow, slow
Then we speed it up like oh, oh
Baby turn around like so, so
Now we got it just right, something that we both like
Baby we could go so high, so high
Higher than you've ever been, high
Higher than you've ever been, high
Now we got it just right, something that we both like

Baby we could go so high
