Meet Me In Montauk

Circa Survive

(1, 2, 3, 4)
*laughter*Leave just as you came
(Without a sound),
Nothing to ruffle your ends.I've been wandering around making up movies in my head.
So I said, don't let it go.
Let me try and pull out pride.
I already forget how I used to feel about you.Leave as fast as you came,
No invitation,
Nowhere to go from here.I've been wandering around wondering how I got so...got so...
So fucking boring, all the sudden, so fucking scared...
I'm not.You'd mean so much more to me if I remembered.
