

Don't Call It Love

[Kim Carnes](#)

Nobody believes that I really care for you
They don't think my heart is true
I don't think you agree
You know, I'm a lifetime guarantee So if they ask you what you mean to me
Don't call it love heaven above
Now we got a better thing
Don't call it love that ain't enough
Tell 'em you're my everything Nobody believes we got something they ain't got
They never seen a fire this hot
They never got that far
We're burning as bright as any star So if they ask you what your feeling's are
Don't call it love heaven above
Now we got a better thing
Please don't call it love that ain't enough
Tell 'em you're my everything Feels so good, good and tight
(Feels so good)
Holding close through the night
(Hold you tight through the night)
They can call it what the like
They ain't got it right Please, don't call it love heaven above
We got a better thing
Honey, don't call it love that ain't enough
Tell 'em, tell 'em you're my everythin' Don't call it love heaven above
We got a better thing
Don't call it love that ain't enough
Tell 'em, tell 'em you're my everythin'
