Bring A Little Lovin'

Los Bravos

I know that it's ten
And you're stayin' in
La la la la la la la la
And you're stayin' home
And I'm all alone
La la la la la la la la laWont you, won't you, won't you
Bring a little water
Bring a little wine
Bring a little lovin'
And I feel fine
I know that you want to
And I know that you do
Come in here and love with me
If I enduring rain
But it's all the same
La la la la la la la la
I'm payin' for this call
And I don't mind at all
La la la la la la la la laWont you, won't you, won't you
Bring a little water
Bring a little wine
Bring a little lovin'
And I feel fine
I know that you want to
I know that you do
Come on here and love with me
Wont you, won't you, won't you
Wont you, won't you, won't you
Bring a little water
Bring a little wine
Bring a little lovin'
And I feel fine
Know that you want to
I know that you do
Come in here and love with me
