QUARTERBACKS

I thought I'd seen you around
Not everyday but pretty often
Now that you're really leaving town
I just wish I'd been more honest
Remember over the summer
When I first got your number
I thought that we could be friends
Maybe something better
My heart skipped
In the brunswick
You were all swimming
And I felt so homesick
Walked to Deb's car
Made the phone call
You didn't pick up
I felt so desperate
I was in the back seat
Swim suit dripping
When I made the promise
When I got back to Kipsy
I'm gonna call you
Wouldn't involve you
I guess
You were just to busy
One time I showed you a song
You only thought it was kinda good
I never played it again
It wasn't even about you
