

Lord I Love You

Ted & Sheri

Verse 1

For waking me up this morning
For letting me see a brand new dawning
Though I made plans for this day
Death could have come during the night
And took me away

Chorus

Lord I love you
I love you Lord
With all my heart
And all my soul
(Repeat)

Verse 2

It could've been me with no food eat
And it could've been me with no place to sleep
But it was you Lord
Who showed me my sins
And then you came along and gave me so much joy
Deep down within, deep down within

Chorus

(Repeat Verse 1)

Chorus out
