

Pretty

The Weeknd

Somebody told me it was pointless for me to come back
Into your arms
Said you fucked another man, finally
I knew this day would come, whoa oh oh
'Cause I see fear in your eyes
You've been living out your life
As long as you know that when I land you're mine
It's been exactly 365 since I've seen your face
I've been living on the road
And you've been living all alone, at home
Girl I hope,
He made you satisfied
Well baby I won't cry
As long as you know that when I land you're mine And you will never feel so pretty
And you will never feel this beautiful
When I make it there
Oh when I make it there There are certain things that I've come to understand
Expectations can kill a simple man, simple woman whoa oh
I try to master the art,
Of that far away love
But only so much can keep a woman warm
(Warm, ooh)
Now it's times like this that I say to myself
(Say to myself)
We've been living in a cold, cold world
Cold world
But at least I have you to rely
Even if for a short time
As long as you know when I land you're mine And you will never feel so pretty
And you will never feel this beautiful
Oh when I make it there
Oh when I make it there
And he can't make you feel this pretty
And he won't make you feel this beautiful
When I make it there
Oh when I make it there Ah
No no-no
Ah
No no no-no

Ah
 No no no no no
 AhOh oh oh ah
 Ooh
 Hoo hoo hoo
 Ooh
 Hoo hoo hoo
 Ooh
 Oh babe (oh)Ooh ha
 Ooh ha
 Ooh ha, haAnd you will never feel so pretty (pretty)
 And you will never feel this beautiful (beautiful)
 When I make it there (when I make it there)
 Oh when I make it there (hey)
 And he can't make you feel this pretty (pretty)
 No he won't make you feel this beautiful (beautiful)
 When I make it there (when I make it there baby)
 Oh when I make it thereAnd you will never feel so pretty (pretty)
 And you will never feel this beautiful (beautiful)
 When I make it there (when I make it there)
 Oh when I make it there
 And he can't make you feel this pretty
 And he won't make you feel this beautiful (ooh babe)
 When I make it there (when I make it there)(hey)
 When I make it there
 When I make it thereQuand une putain de colombe blanche chante sa chanson,
 C'est tout ce qu'on entend.
 Les jours se dÃ©filent comme de la ficelle dans le vent
 EmbobinÃ© dans ma toile, je les dÃ©voile Ã nouveaux
 10 ans mon ami, que ne rien d'autre compte
 Elle n'Ã©tait qu'une gamine Ã ce moment
 Souffrant d'un cÅ“ur brisÃ©
 Une douleur trÃ¨s profonde.
 C'est lÃ oÃ¹ je l'ai aperÃ§ue
 Seule, prÃªte Ã entamer ses 17 ans
