

Take Me Back Then

Days of the New

Nothing's wrong

I'm just wasted

All the time that I've tasted

Take me back on a time trip
Won't you take, just take me, take me back?

Won't you take me back then, just take me back then?

Won't you take me back then?

Why don't you take me?Nothings wrong

I'm just wasted

All the time that I've tasted

Take me back on a time trip Won't you take, just take me, take me back?

Won't you take me back then, just take me back then?

Won't you take me back then?

Why don't you take me?Why don't you take me?

Why don't you take me?

Why don't you take me? Nothings wrong

Im just wasted

Im the one whos tastin

All the time that Im faced with Won't you take, just take me, take me back?

Won't you take me back then, just take me back then?

Won't you take me back then?

Won't you take me back then, just take me back then?

Won't you take me back then?

Why don't you take me?Why don't you take me?

Why don't you take me?

Why don't you take me?

Why don't you take me?
