

Easy Come, Easy Go

Seth Walker

Here I sit on the cadillac lane
Devil won in the closest night
Open the door and let me in
We went back like a couple of friends
Out of sight and
Out of mind

When it comes to you it happens everytime
When I wonder throught the edge
Shift in throught the last of our stand

Easy come, easy go
What do I if I miss you so?
I was just find going so alone
What do I if I miss you so?
???? singing from the top of the trees
And almost tear a harmony
To well i know you're far from????
But i just wanted???????

Easy come, Easy go
What do I if I miss you so?
I was just find going so alone
Why I have to miss you so???? at the mexican bar
??
??

But I can't escape
'Cause you're my best mistake
Easy come, easy go
What do I if I miss you so?
I was just find going so alone
What do I?

Easy come, easy go
What do I if I miss you so?
I was just find going so alone
What do I if I miss you so?
