Mary Christmas

Sticky Boys

Tonight my girl sheâ€™s in the mood
Naughtiest babe in the neighborhood
As Christmas Eve is coming close
Snowman got his carrot nose

What the hell is going on tonight?
She's hot - Hot and Ready
So sweet I can't believe it's real

Candy canes, Mary is greedy
She bites it high and low
Cherry, Berry, tutti frutti,
She don't care she's gonna swallow

What the hell is going on tonight?
She's hot - Pretty baby
You're the star I need for my Christmas tree

Can you feel my love
Can feel - Can feel my lovin
You know my love is right
Can feel - Can feel my lovin
Can you feel my love

Scrubbing -RUBBING- Daddy Santa
Shiny red like in your dreams
Rubbing -SCRUBBING- the Christmas balls
Glittering scoops of cream

What the hell is going on tonight?
She's hot - Pretty baby
You're the star I need for my Christmas tree

Can you feel my love
Can feel - Can feel my lovin
You know my love is right
Can feel - Can feel my lovin
Can you feel my love
