

# Tricky Game

Hollysiz

You, you're locked in yourself  
Pretending to be deaf  
You play a tricky game I'll not fall into your trap  
I know you by heart  
To break my nerves, you're sharp Your silence is killing me, so shout at me  
Your passivity just drives me crazy  
If you're upset with me, then let me see  
The fire in your eyes, let's be nasty Smash everything you find  
Get out of your mind  
Show me what you've got  
Your silence is killing me, so shout at me  
Your passivity just drives me crazy  
If you're upset with me, then let me see  
The fire in your eyes, let's be nasty Don't keep me away stop your play  
Shake me up Your silence is killing me, so shout at me  
Your passivity just drives me crazy  
If you're upset with me, then let me see  
The fire in your eyes, let's be nasty Your silence is killing me, so shout at me  
Your passivity just drives me crazy  
If you're upset with me, then let me see  
The fire in your eyes, let's be nasty Don't keep me away stop your play  
Shake me up  
(Your silence is killing me, so shout at me  
Your passivity just drives me crazy  
If you're upset with me, then let me see  
The fire in your eyes, let's be nasty)
