

# Hello It's Me (Remix) (Re-Recorded / Remastered)

## Todd Rundgren

Hello it's me,  
I've thought about us for a long, long time,  
Maybe I think too much but something's wrong,  
There's something here that doesn't last too long,  
Maybe I shouldn't think of you as mine. Seeing you, or seeing anything as much as I do you,  
I take for granted that you're always there,  
I take for granted that you just don't care,  
Sometimes I can't help seeing all the way through. It's important to me  
That you know you are free,  
'Cause I never want to make you change for me.  
Think of me,  
You know that I'd be with you if I could  
I'll come around to see you once in a while  
or if I ever need a reason to smile  
And spend the night if you think I should. It's important to me  
That you know you are free,  
'Cause I never want to make you change for me.  
Think of me,  
You know that I'd be with you if I could  
I'll come around to see you once in a while  
or if I ever need a reason to smile  
And spend the night if you think I should.  
Sometimes I thought it wasn't so bad.  
Sometimes I thought it wasn't so bad.  
Sometimes I thought it wasn't so bad.
