

# La Reyna

## Penny and Sparrow

What kind of day do you want this to be?

'Cause I'd sure like to give it to you

We can go out on a mission or maybe just watch TV

We can do whatever you want to do

We'll be movers and shakers, or leaves on a tree

We can talk smart, or just act a fool

I don't really care, it doesn't matter to me

Beause I know that I'll be with you

Yes, I know that I'll be with you

Life could get hard, I could lose my job

Safety's not promised to me

If everything crumbles, I have to pull through

And I know it's no guarantee

We'll be movers and shakers, or leaves on a tree

We can talk smart, or just act a fool

And I don't really care, it doesnt matter to me

Because I know that I'll be with you

Yes, I know that I'll be with you
