Just Let Me Rock (Live In Chicago)

Saxon

Just let me rock (rock)
Just let me rock (rock)
Just let me rock (rock)You can take away the money
You can take away the gold
You can tell me it's the truth
You know it isn't soYou can say that I'm a vandal
When I ain't done nothing wrong
You can say you've had a good time
When you've really thought it badBut just let me rock (rock)
Just let me rock (rock)
Just let me rock (rock)
Just let me rock (rock)
Just let me rockYou can take away the profit
You can give away my share
You can tell me it's a diamond
When it's just a piece of glassYou can tell me I've got nothing
When I hold it in my hand
You can say a scrap of paper
Was a contract that I signedBut just let me rock (rock)
Just let me rock (rock)
Just let me rock (rock)
Just let me rock (rock)
Just let me rockYou can take away my heroes
You can take away my pride
You can tell me I can trust you
Then take me for a rideYou can say I'm drinking water
When I'm really drinking wine
You can say I'm really clever
Then you laugh behind my backBut just let me rock (rock)Just let me rock (rock)
(Repeat to end)
