I'm a Man

Chicago

Well my pad is very messy, got whiskers on my chin
Never had no problems 'cause I've always paid the rent
I got no time for lovin'
'Cause my time is all used upI stand outside creatin'
All the groovy kinds of love
I'm a man, yes I am and I can't help but love you so
I'm a man, yes I am and I can't help but love you soIf I had my choice of matter
I'd would rather be with cats
All engrossed in mental chatter
Showing where your mind is atWhile relating to each other
How strong the love can be
By resisting all the good times with each groovy chick we seeI'm a man yes I am and I can't help but love you so
I'm a man yes I am and I can't help but love you so
I've got to keep my image
While I'm standing on the floorIf I drop upon my knees
It's just to keep them on my nose
You think that I'm not human
And my heart is made of stoneBut I've never had no problems
'Cause my body's pretty strongI'm a man yes I am and I can't help but love you so
I'm a man yes I am and I can't help but love you so
I'm a man yes I am and I can't help but love you soIf I had my choice of matter
I would rather be with cats
All engrossed in mental chatter
Showin' where your mind is atWhile relating to each other
How strong your love can be
By resisting all the good times with each groovy chick we seeI'm a man yes I am and I can't help but love you so
I'm a man yes I am and I can't help but love you so
I'm a man yes I am and I can't help but love you soI gotta keep my image
While I'm standin on the floor
If I drop upon my knees
It's just to keep them on my noseYou think that I'm not human
And my heart is made of stone
But I never had no problems
'Cause my body's pretty strong
I'm a man, yes I am, and I can't help but love you soMan, yes I am, and I can't help but love you so
Man, yes I am, and I can't help but love you so
Man, yes I am, and I can't help but love you so
