

Who da Neighbors

Juicy J

Chorus

My mansion sittin' on 40 acres

Who da neighbors

Kobe Bryant from tha' Lakers

Now that's paper (Who?!)

Kobe Bryant from tha' Lakers

Now that's paper (Who?!)

Kobe Bryant from tha' Lakers

Now that's paper (Who?!)

(repeat x1)

Big cribs, lot of cars, enormous prices

I ain't gon tell you what i spend but my plug might

Get money, get pussy, smokin' weed forever rub that money in my palms cause it grease better

Whole real estate, came with a lot of zeros (How you do that mayynee!?)

Sold to a lot of people, over 30 million sold, that's a lot of people

Now i got a big crib that fit a lot of people

Chorus

Straight from the projects, now i ride Maserati (Mmmhmm!)

The life of a mob nigga, I think i am John Gotti (Mmmhmm!)

Bank statement proof (Mmmhmm!), I buy what i chose (Mmmhmm!)

I say 40 racks, and I throw it out and I'm cool (YOU KNOW IT!)

Got all these thirsty bitches think I'm gon' pay 'em

You think you care, but money you gets nan'

no need for rich fans, the owner know who I am

Two bottles of Ros, two models of in both hands

Chorus
