

# Devil Got My Woman (In Concert)

## Skip James

I'd rather be the devil, to be that woman man  
I'd rather be the devil, to be that woman man  
Aw, nothin' but the devil, changed my baby's mind  
Was nothin' but the devil, changed my baby's mind

I laid down last night, laid down last night  
I laid down last night, tried to take my rest  
My mind got to ramblin', like a wild geese  
From the west, from the westThe woman I love, woman that I loved  
Woman I loved, took her from my best friend  
But he got lucky, stoled her back again  
And he got lucky, stoled her back again

"... The devil was stronger than I was, an' he did have, and is got now, a certain amount of power... And he lives in hell, and that's where he haves his part. And God give him a certain amount of time to be on the earth, in the bowels, persuadin' people... He still have agencies out. Everywhere you've been. And then he's a man don't never sleep. he never get offa his job or duty, That is, you can lay down happy at night, you and your companion... and in harmony. Everything goin' well. Satan'll creep in the house overnight... next mornin' you cannot get a good word out of her. Why?. Because satan has got the bill of sale over her. He done crept in overnight
