Frank Foster

she aint too much on paintin up fancy  
she lives her life in boots and jeans  
she still likes back road romancing  
she aint got to look no further than meyea she giot the heart of a mama  
the soyl of a angek

shrs a beautytiful reminder of a different world  
shes a good ol girl

she dranks beer so u can keep ur champagne  
she knos all them songs by ol rockin randall  
shell get the windows down lord u oughta hear her sing  
she got the heart of a mama  
the soul of an angel  
to her livin country it aint no stranger  
shes a beautiful reminder  
of a different world  
shes a good ol girlnow shes a lover shes a lady  
shes forever shes a friend  
shes a modern day real woman  
but believes in love like it was back then  
and shes a savior of a wild and restless rambler  
so i no longer walk alone
