

# Sherri Is a Stoner

## Third Eye Blind

Oh, the good people of Oshkosh  
Have got it all worked out for you  
Just follow along like there's nothing else you could choose to do  
Oh, but take a look at this one  
And wonder what lies beneath  
There's gotta be more to a smile than lips and teeth  
She's getting knocked out a place  
Oh, it's hard to put a smile to that face  
Cause Sherri is a stoner  
From Oshkosh, Wisconsin  
You never really knew her  
Sherri is a stoner  
I feel like, I feel like  
I feel like she's out the window like a straight and narrow  
Cause there's some place out there  
She can feel it down to the bone marrow  
Through her skin and her hair  
Kept up in this town like a cage  
Pimped out when she comes of age  
Be a good girl live a dutiful life  
Keep it buttoned down one day and you'll be a wife  
So much you didn't know about her  
Cause Sherri is a stoner  
From Oshkosh, Wisconsin  
You never really knew her  
Sherri is a stoner  
Ever really feel like you knew someone  
All of it comes together then it comes undone  
Well you should try again  
Oh, you should try again  
She don't like the dubstep stuff  
She wouldn't do it if she can  
Busting through the door like the Kool-Aid Man  
Kool-Aid Man  
Singing "hey everybody, whomp whomp whomp"  
Hey everybody, whomp whomp whomp  
Sherri is a stoner  
From Oshkosh, Wisconsin  
You never really knew her  
Sherri is a stoner (Sherri is a stoner)  
Sherri is a stoner (Sherri is a stoner)  
From Oshkosh, Wisconsin (Sherri is a stoner)  
Start your revelation  
Sherri is a stoner
