Pure Energy (Trooper Radio Edit)

Accuface

Pure energyWe're nothing but two lost souls when
We set out without an ending
Everyone thought we were wasting timeOh, it was such a struggle that never ended
On no one else we were dependent
We did all we could to get it rightOn an outbound train
The breaks from yesterday
Ooh, I always wanted to feel this wayOn a sky-high plane
Hotter than all the sun's raysAnd it's known to be
We are always meant to be released
To pure energy, pure energyPure energy
Pure energyFound ourselves in a situationYet there always was a complication
What we wanted was so hard to find
So we had to keep on moving
Only time was time for losing
Couldn't waste a minute of our livesWe've been traveling for days
Now we're so far away
Ooh, only stars will light our wayIn this close to lonely world
Sometimes I'm just a lonely girl
But you gotta know
That we were always meant to be released
To pure energyPure energy, pure energy
Pure energy, pure energy
Pure energy
