

1-2 Crush on You

The Clash

Standing in a queue of a school canteen
Guys on the corner they were laughin' at me
But I don't mind if they see it all
You know I gotta come clean
I gotta come clean
I got a crush on you My mind don't need it but my body do
A little bit of loving and attention for you
Although we're only strangers
They don't need to know
I gotta cum clean, I gotta cum clean
Ooh, I got a crush on you I want to get serious right away
One-two, I got a crush on you
What you doin' today or any other day?
One-two, I got a crush on you
Just one look and I go insane
One-two, I got a crush on you Your daddy never comes to get you
Cause lives so far away
But his I-talian chauffeur shows up every day
But I'll get you in the corner, I'll get you all
alone
I gotta cum clean, I gotta come clean I got a crush on you One-two, I got a crush on you
One-two, I got a crush on you
One-two, I got a crush on you
I said one-two
I got a crush on you Why should I get a crush on yet?
