Dear Friend (Performance Track In Key of D)

Stacie Orrico

Dear friend, whats on your mind
You don't laugh the way you used to
But I've noticed how you cry
Dear friend, I feel so helpless
I see you sit in silence
As you face the pain each day
I feel there's nothing I can doI know you don't feel pretty
Even though you are
But it wasn't your beauty
That found room in my heart
Dear friend, you are so precious dear friendDear friend, I'm here for you
I know that you don't talk to much
But we can share this day anew
Dear friend, please don't feel like your alone
There is someone who is praying
Praying for your peace of mind
Hoping joy is what you findI know you don't feel week
Even though you are
But it wasn't just your strength
That found room in my heart
Dear friend, you are so precious, dear friend
