

**N.b.c.**

**Charli Baltimore**

This is the way it should sound  
Ya heard  
(What? What?)  
Yo B, we don't even like half these faggot niggas anyway  
(What? What? What?)  
I'm on my own muthafuckin' wheel  
(Yeah, what? What? What?)  
You know What I'm sayin'?  
The real shit, you know B  
My black family  
(What? What? What?)  
Slick Finga  
(Clah, clah, clah)  
Harlem World eatin'  
(Yeah, yeah)  
Charli Baltimore  
(What? What? What?)  
Nore  
(Yeah, yeah, what? What? What?)  
Cam'Ron nigga  
(Yeah, yeah)  
Killa Cam nigga  
(What? What? What?)  
Yeah, yeah, yeah, yeah  
Yo, all my rhymes, I rip it, the song had to clip it  
The cats in the street, nearly killing over snippets  
Birds gotta feed 'em bread, so he can eat her head  
I'm almost 21 but I still pee in the bed  
Had to flee the FED's, all be trife  
And I got a crush on Edith  
(Who, Archie's wife)  
Yo not monogamy, pornography  
On the outside, like an apostrophe  
Tell my girls, I really like photography  
Snap shots naked, the wildest boss  
First night, head whop and our salads tossed  
While you in a mean neon, I'm with Celine Dion  
Throw her in the bed, she the next one I pee on  
Say What? Bitch, phase two, yeah yeah

What? What? What? What? What?  
 What? What? What? What? What? What?  
 What? What? What?  
 Split that ass yo, split that ass  
 Yeah uh, What? Yo yo yo  
 Yo, N.O.R.E., fuck y'all, niggas get hurt  
 You know I rock a Soul Train wit' a Cam'Ron's shirt  
 Doin' cartwheels, all my niggas got Hot Wheels  
 You a double A R god, the blunniest  
 You know we throw away blunts for my niggas that's dead  
 Pour a law liquour, drink a long ligga  
 Then again, I never beat for my nigga, Digga  
 You know I got, navigators, so we won't get lost  
 N.O.R.E, these Queens niggas call me the Force  
 At the arraignment, Thugged Out  
 Undertainment, for the lawyer  
 Fuck 'em and the judge saves it  
 And I did every crime  
 Nigga, name it  
 Fools ain't ever know, the ghetto's be the baddest click  
 Charli's Angels tangle with Devil's Advocate  
 Hoes mad 'cause our pussy's got the fattest clits  
 It's some status shit, how we gon' have a bitch  
 Under pressure, the Un undress her  
 That's a tester that's just the best flirt to the best skirt  
 Ever make it to networks  
 Like N.B.C., N.O.R.E., B'More and Cam'Ron  
 Anything we put our hands on,  
 Soak up like a tampon, plan on  
 For puttin' out the hottest LP's  
 Since shit yo, you gon' have to tell me  
 'Cause this is hip hop, meneaja twat  
 And ya'll jealous 'cause What?  
 I'm fuckin' wit' the two hottest Underground fellas  
 What?  
 Aiyo Iraq, Harlem World, Philly, San Juan  
 Un-shit; N.O.R.E., Charli, Cam'Ron  
 Mansions, 6's, Richies, plan on

 What?  
 Yo, all on the ballers shit, N.O.R.E but we could call a chick

Head is what we all could get, biggest to the smallest dick  
She gon' swallow all of it, Harlem gon' have a ball with that  
After I get her pregnant, yo, we goin' to the mall with it  
Yeah nigga, you know the lie, fuck that bitch  
The only reason I don't kiss her is cause she sucked his dick  
And I don't even trust, ourself bro, fuck dat hoe  
Pussy stinkin' anyway, let her go  
Yo ya'll niggas stay fuckin' with them grimmy chicks  
On the real though, I wonder where ya'll find these chicks  
The rest is evident, I'm the type to split on niggas  
But if they right, I'll fuck around and spit on niggas  
And if they into that hot shit, I might let 'em hit my spot quick  
But first they gotta pop shit  
If not then they gettin' drop kicked and I like 'em all  
Black Jack ya'll, near 21, all others gettin' cut, cut  
So be it, you see me  
Aiyo Iraq, Harlem World, Philly, San Juan
