

# Crazy Lady Blues

**Marianne Faithfull**

This morning too didn't rise before noon  
She's a lazy lady today.  
Always young and new with your eyes on the moon,  
You're a crazy lady like you said.  
Crazy lady. Now should I say more before I know you so well ?  
You're no hazy maiden in gray.  
How can I be sure ? it's not easy to tell,  
But you're a crazy lady like you said.  
Crazy lady.
