And the wealth don't trickle down People pinchin' every nickel now Even if we don't fight Bodies hit the groundI spit the sound Of a million fists finna pound I'm in the crowd 'Til this whole thing switch AroundOur brains are on temporary disconnect I shoot my mouth off I can't find my pistol yet You can call this music disrespect'Cause I'll slap you in your face At your local disco techMr. Green with your missiles and rockets My paycheck burns a hole in your pocket You told the judge put my name on the docket Meetin' in the break room Here's what we plottedLet's fight, let's smash, let's win We gon' fight, we gon' smash Let us in, let's fight, let's smash, let's win Just like getting up in the club with a fake ID If it don't work, we gon' do it againYour honor may it please the court Swear me in on a book full of Tupac quotes After what I say You might noose my throat Reporters please scribble down a few hot notesAllow me to be the first To throw dirt on their graves, excuse me I never learned to behave My great, great granny was a Carolina slaveShe whispers in my ear Sayin', "Spark the blaze" Somewhere on the easts ide of steal and rob A whole generation got a McJobAnd the light bill still ain't resolved See the hungry mob pulse and throb If you got a blacklist I wanna be on it* If we gon' attack this then we need to run itIf you see my hood man You might call it ghetto Politicians are puppets y'all Let's get GepettoLet's fight, let's smash, let's win We gon' fight, we gon' smash Let us in, let's fight, let's smash Let's win

Just like getting up in the club with a fake ID If it don't work, we gon' do it againWell, it's a matter of fact that I'm gonna Die one day but muthafucka right now I breath And I may not be able to predict my demise But you can bet it won't be on my kneesI'm rappin' at the speed of the falling dollar They got greed to make you crawl and holla It's old school like Easy-E's impala Ay, ay, you gon' lead or smoke trees and follow?Let's fight, let's smash, let's win We gon' fight, we gon' smash, let us in Let's fight, let's smash, let's winJust like getting up in the club with a fake ID If it don't work, we gon' do it again
