Fuck Around

Dwarves

Round round fuck around
She fuck around
Round and around that stupid fuck
I know a girl in this town
She likes to fuck when the sun goes down
She likes the rooftops
She likes the floor(?)
Suck that cock on the bathroom floor
She likes to ride on the merry-go-round
And I like the way that she fuck around
She's too cunning
She's real cute
We kiss on a jungle gym
Every month her herpes seed
She pass it on to me
Well I go ga-ga when she goes down
And I like the way that she fuck around
Fuck around and around, round
They talk about life's a circus and she's the clown (?)
But I like the way that she fuck around
Well she likes parties
She's my fool(?)
She dropped out of high school
She's always broke but she don't care
Hold those legs up in the air
Yeah thinkin' about ?
Don't make a sound
And I like the way that she fuck around
Fuck around and around, round
(No, no, never gonna cum again)
