for a friend...

The Beautiful Mistake

Gone and disapearing on this cold night
I never thought it'd be that way
Your crying eyes they form the question
Formed by the words that we have sharedUncovered signs now change the times
Perplexing incongruent lies
Unparalled, impossible, complacent amiable soulsGod, I wanna see you on the inside
But it's not feeling like that way
I wanna see you on the inside
But it's not feeling like that wayConfusion bleeds to vulture stares
Conviction bleeds the silence here
She suffocates and I regret
Wafer thin and falling from interestGoodbye my friend
And disapearing on this cold night
I never thought it'd be this way
Your crying eyes they form the question
Formed by the words that we have sharedI am sorry but this is the way it has to be right now
(The way it has to be)
I am sorry but this is the way it has to be right now
(I don't wanna see you cry)
I am sorry but this is the way it has to be right now
(The way it has to be)
I am sorry but this is the way it has to be right now
(The way it has to be)
