Making Plans

Emmylou Harris

You say tomorrow you're going
Well, that's so hard for me to believe
I'm making plans for the heartaches
'Cause you're making plans to leaveThe tears for me will be falling
Like a tree shedding its leaves
I'm making plans for the tear drops
'Cause you're making plans to leaveYou're making plans to forget me
I'm making plans to miss you
I'm getting ready to grieveI'm making plans to be lonesome
'Cause you're making plans to leaveI'm making plans to be lonesome
'Cause you're making plans to leaveI'm making plans to be lonesome
'Cause you're making plans to leave
