Unfinished

Mandisa

Not scared to say it
I used to be the one
Preaching it to you
That you could overcome
I still believe it
But it ain't easy'Cause that world I painted
Where things just all work out
It started changing
And I started having doubts
And it got me so downBut I picked myself back up
And I started telling me
No, my God's not done
Making me a masterpiece
He's still working on me
He started something good
And I'm gonna believe it
He started something good
And He's gonna complete it
So I'll celebrate the truth
His work in me ain't through
I'm just unfinished
I'm just unfinished
So I'll celebrate the truth
His work in me ain't through
I'm just unfinishedI know His history
And the kind of God He is
He might make it a mystery
But He's proven I can trust in Him
And yeah, I believe it
So I can pick myself back up
And keep on telling me
No, my God's not done
Making me a masterpiece
No, my God's not doneHe started something good
And I'm gonna believe it
He started something good
And He's gonna complete it
So I'll celebrate the truth
His work in me ain't through

I'm just unfinished
I'm just unfinished
So I'll celebrate the truth
His work in me ain't through, noStill working
Still, still working on me
He's still working
Still, still working on me
OohHe started something good
And I'm gonna believe it
He started something good
And He's gonna complete it
So I'll celebrate the truth
His work in me ain't through
I'm just unfinished
I'm just unfinished
So I'll celebrate the truth
His work in me ain't through
I'm just unfinishedStill working
Still, still working on me
He's still working
Still, still working on me
Oh yeah I'm just unfinished
