

# Nero

## Ozenza

Nero

He can be anywhere on earth  
And still be there for you

Nero

He can do anything in life  
While you're feeling lost and lonely  
But I swear - he will care

Nero

Only when dreams have died  
It's time to say goodbye  
Ooh Nero  
You can stand any pain  
With a smile on your face - I swear

Nero

Just smile  
So destiny won't keep you crying  
Nero  
Let your heartlight find a way  
Let everybody know what you say

Nero

He can bear anything  
Except your tears - I swear  
Ooh Nero  
He can fight anyone  
But he's caught in your love - I swear

Nero...

Nero

He can be anywhere  
And still be there for you  
Nero  
I see you standing there  
With a smile on your face - I swear
