

# If I'm James Dean, You're Audrey Hepburn

## Sleeping with Sirens

Stay for tonight  
If you want to  
I can show you  
What my dreams are made of,  
as I'm dreaming of your face  
I've been away for a long time  
Such a long time  
And I miss you there  
I can't imagine being anywhere else  
I can't imagine being anywhere else but here How the hell did you ever pick me?  
Honestly, I could sing you a song  
But I don't think words can express your beauty  
It's singing to me  
How the hell did we end up like this?  
You bring out the beast in me  
I fell in love from the moment we kissed  
Since then we've been history They say that love is forever  
Your forever is all that I need  
Please stay as long as you need  
Can't promise that things won't be broken  
But I swear that I will never leave  
Please stay forever with me  
(If you want to i can show you) It goes to show, I hope that you know that you are  
What my dreams are made of and I  
Can't fall asleep  
I lay in my bed awake at night  
And I'll fall in love, you'll fall in love  
It could mean everything, everything to me  
Ooh ooh  
This could mean everything to me They say that love is forever  
Your forever is all that I need  
Please stay as long as you need  
Can't promise that things won't be broken  
But I swear that I will never leave  
Please stay forever The way that we are  
It's the reason I stay  
As long as you're here with me  
I know i'll be Ok  
(LA DA DA DAH LADA DAH) They say that love is forever

Your forever is all that I need  
Please stay as long as you need  
Can't promise that things won't be broken  
But I swear that I will never leave  
Please stay forever with me(I couldn't love just anyone, I was created to love just one baby)  
They say that love is forever  
Your forever is all that I need  
(I couldn't love just anyone, I was created to love just one girl)  
Please stay as long as you need(I couldn't love just anyone, I was created to love just one baby)  
Can't promise that things won't be broken  
But I swear that I will never leave  
(I couldn't love just anyone, I was created to love just one girl)  
Please stay forever with me
