Damned Religion

Artillery

Your morals are not my morals
Your religion means nothing to me
Your two faced lying high priests of power
Take your gospel stay away from meYour truth is not my truth
Your point of view means nothing to me
Your double talking jive motherfuckers
Take your bullshit stay away from meFalse messiah legions of fire!
Religion is in your blood,
Religions in your head, religion is your drug
Can never get enough
Your twisted rhetoric it takes you higher
The lord you worship is the false messiah
The lives you prey on can't defend themselves
You use them up and make their lives all hellYou cheat and lie you use the weak and poor
Your so called master is a lying whore
Your evil empire is a cancer cell
You too will die and burn forever in hell
Your dreams are not my dreams
Your holy war means nothing to me
Your narrow minded no brain way of thinking
Your damned religion stay away from me
