

Reach

S Club 7

When the world, leaves you feeling blue
You can count on me, I will be there for you
When it seems, all your hopes and dreams
Are a million miles away, I will reassure you
We've got to all stick together
Good friends are there for each other
Never ever forget that I got you
And you got me so
Reach for the stars, climb every mountain higher
Reach for the stars, follow your hearts desire, reach for the stars
And when that rainbow's shining over you
That's when your dreams will all come true
There's a place, waiting just for you
It's a special place, where your dreams all come true
Fly away, swim the ocean
Drive that open road, leave the past behind you
Don't stop, gotta keep moving
Your hopes, gotta keep building
Never, ever forget that I got you
And you got me so
Reach for the stars, climb every mountain higher
Reach for the stars, follow your hearts desire
Reach for the stars
And when that rainbow's shining over you
That's when your dreams will all come true
Don't believe in all that you've been told
The sky's the limit, you can reach your goal
No-one knows just what the future holds
There ain't nothing you can't beat
There's a whole world at your feet
I said reach
Climb every mountain
Reach for the moon
Follow that rainbow
And your dreams will all come true
Reach for the stars, climb every mountain higher
Reach for the stars, follow your hearts desire
Reach for the stars
And when that rainbow's shining over you

That's when your dreams will all come true
Reach for the stars, climb every mountain higher
Reach for the stars, follow your hearts desire
 Reach for the stars
And when that rainbow's shining over you
That's when your dreams will all come true
Reach for the stars, climb every mountain higher
Reach for the stars, follow your hearts desire
 Reach for the stars
