

# Bermuda

## Bell Sisters

Down in Bermuda  
Paradise for two  
I lost my lover  
There on the blue

We went sailing  
On a coral sea  
Starlit waters  
My darling and me

Time was endless  
Love sang its song  
We dreamed of tomorrow  
Now he is gone

I see his lips  
In the coral  
I see his eyes  
In the water blue  
I see his hair  
In the glowing sunlight  
A vision clear  
Calling me near

In Bermudan waters  
Oh, so clear and cold  
I await my loved one  
As I grow old

I await my loved one  
As I grow old
