

She Makes My Day

Robert Palmer

I feel so lucky loving her
Tell me what else is magic for
She thinks it's better left unsaid She makes her mind up at a glance
It really made a difference
I seem to be unconditionally hers She's like a new girl every day
And all the rest don't bother me
I'm far too busy lovin' her I'll never be lonely, now I know her
She fills my heart with joy
She just has to smile to blow my cares away
She just has to touch my hand to make me stay She's all good lovin' at once
She's all good lovin' at once
She's all good lovin' at once
She's all good lovin' at once Our love was unintentional
She says we're not responsible
She thinks with her chin up She always makes uncommon sense
Always knows just what to say
She always takes me unawares In less time than it takes to fall down here
And there you are
We never fought it anyway I'll never be lonely, now I know her
She fills my heart with joy
She just has to smile to blow my cares away
She just has to touch my hand to make me stay I feel so lucky loving her
Tell me what else is magic for
She thinks it's better left unsaid She makes her mind up at a glance
It really made a difference
I seem to be unconditionally hers She's like a new girl every day
And all the rest don't bother me
I'm far too busy lovin' her I'll never be lonely now I know her
She fills my heart with joy
She just has to smile to blow my cares away
She just has to touch my hand to make me stay She's all good lovin' at once
She's all good lovin' at once
She's all good lovin' at once
