

Blaze of Glory (Adios Version)

Audio Adrenaline

It's funny how they shoot you down
When your hands are held up high
And you open up your heart and soul
But that's not enough for most, no! I remember this much
There is nothing
You shouldn't speak of
When you've got something to say
Going out in a blaze of glory
My heart is open wide
You can take anything you want from me
There is nothing left to hide
Oh, no! The law of the jungle says
You look after yourself
But I remember this much
I love as I've been loved myself
Don't forget what I told you now
When the question keeps on coming
And it's 'How much more can you take' but you keep on...
Going out in a blaze of glory
Settinh you sights on the sky
They can offer you anything at all
But your dreams must not be sold
Going out in a blaze of glory
No price is high enough
I'm fighting back with feeling
I'm fighting back with love
And the nails are hammer into your hands and the cross is heavy
Keep on
Don't you know that it's time to make a stand
It's time to make a stand
Going out in a blaze of glory
My heart is open wide
You can take anything you want from me
There is nothing left to hide
Oh, going out in a blaze of glory
My hands are held up high
I'm learning how to hit back
Yes, I'm learning how to fight
Going out in a blaze of glory
