

Turn a Rope Round Its Axis

HVOB

Intro

What goes around comes around, comes around comes around.
Like the dark, like the dark, like the dark, circles around my eyes.

Run around, run around, circling, circling.

Turn a rope round it's axis. How do i get there.

How do i get there.

Turn a rope round its axis

Turn a rope round its axis

He's a thorn in my side

He's a thorn in my side By my side

Hook

By my side

Your a thorn in my side

By my side Turn a rope round it's axis

Turn a rope round it's axis

He's a thorn in my side

Turn a rope round it's axis

Hes's a thorn in my side

Turn a rope round it's axis

By my side.
