

# Gangsta

## Kehlani

I need a gangsta,  
To love me better,  
Than all the others do.

To always forgive me,  
Ride or die with me,  
That's just what gangstas do.

I'm fucked up, I'm black and blue,  
I'm built for all the abuse.  
I got secrets that nobody, nobody, nobody knows.

I'm good on that pussy shit,  
I don't want what I can get.  
I want someone with secrets that nobody, nobody, nobody knows.

I need a gangsta,  
To love me better,  
Than all the others do.

To always forgive me,  
Ride or die with me,  
That's just what gangstas do.

My freakness is on the loose,  
And running all over you,  
Please take me to places that nobody, nobody, nobody knows.

You got me hooked up on the feeling,  
You got me hanging from the ceiling,  
Got me up so high I'm barely breathing,

So don't let me, don't let me, don't let me, don't let me go.

I need a gangsta (gangsta, gangsta),  
To love me better (love me, love me better, better baby),  
Than all the others do (they do, they do, they do, oh oh oh).

To always forgive me (always forgive me),  
Ride or die with me (ride or die with me),

That's just what gangstas do (do, oh).
