Die Alone

Unanimated

How can I dwell
Into a dream of fear
Can't even tell if
I am awake or asleep
Can't hear myself speak or
breathe
Can't see or move, can't even feelThirsty for pain
My hunger is cold
Dark and misty, I die alone
Thirsty for pain
My hunger is cold
Dark and misty, I die aloneStanding in, a wind of sleep
Staring in, a night so obscene
Evil cold, growing onto me
I wander in this dream of mineThirsty for pain
My hunger is cold
Dark and misty, I die alone
Thirsty for pain
My hunger is cold
Dark and misty, I die aloneI swallow the pain I suffer
Let me be whole, let me die
I am blind but I still see
Beautiful cold dead eyesThere I shall rest in the fire
The songs from the abyss
My hunger is eternal cold
My life is a cold stream of living
painThirsty for pain
My hunger is cold
Dark and misty, I die alone
Thirsty for pain
My hunger is cold
Dark and misty, I die aloneI die, I die, I die, I die, alone
