Take a Picture

Swizz Beatz

Say cheeseRight now I need y'all to get your cameras out
So y'all can get a good picture of what young money look like
Or young hustlers or a young entrepreneur look like
Or a young nigga on the grind look like
So I need y'all to get your cameras out, right nowTake ya cameras out, get your flash right
Now I'ma pose so you can picture me doin my thing
Let me pose so you can picture me doin my thing
Man, I'ma pose so you can picture me doin my thingGet ya cameras out, get your flash right
Now I'ma pose so you can picture me doin my thing
Let me pose so you can picture me doin my thing
Man, I'ma pose so you can picture me doin my thingWake up in the mornin and my chef cooked me breakfast
Then brush ma teeth, then I put on my necklace
Didn't think about what car to ride
Is it Phana or the, the Lamgocha?I got got stuff for you haters, I make my paper you haters
When I see you in the street, I don't speak to you haters
So you never thought you'd see a young fly nigga ball
You see me on top, see me rollin, see me fallIt's like a jungle sometimes, it make me wonder
How I keep from goin under when I rock with ten summers
And I still get my numbers and I still stay humble
I got niggas like, Damn, dog, how he do that?I'm on that music, big homie, I got my UNS, big homie
And he aint your nigga, so what can you do to me, big homie?
And I'm cool rite now, if I stop rite now
Oh, and I can raise 5 mill a day rite nowTake ya cameras out, get your flash right
Now I'ma pose so you can picture me doin my thing
Let me pose so you can picture me doin my thing
Man, I'ma pose so you can picture me doin my thingGet ya cameras out, get your flash right
Now I'ma pose so you can picture me doin my thing
Let me pose so you can picture me doin my thing
Now, I'ma pose so you can picture me doin my thingI told ya I'm thinkin of my master plan
'Cause ain't nuthin' but money inside my hand
I ain't talkin' 'bout a measly 100 grand
Talkin' 'bout big money, get that paper, manPicture me rollin' in ma 64, flyin' in my G5
Landin in the sand, put my feet up in the sand
Grindin' all the time, makin' money while I can
It's a Kodak moment, take a picture while you canYes, you can, can, a can, can take a picture with your friend, friends
Even though I missed my flinger goin to France, man
I gotta stop and show love to all my fans, man
They never pictured they'd see meTake ya cameras out, get your flash right

Now I'ma pose so you can picture me doin my thing
Let me pose so you can picture me doin my thing
Now I'ma pose so you can picture me doin my thingNow what I need everybody to do right now
Is to get your cameras out
Either your camera phone or your Sony
Or whatever you gonna doAnd I'ma pose so you can get a snap, snap
Get a, get a snap, snap, get a, get a snap, snap
Get a, get a snap, snap, get a, get a snap, snap
Get, get a snap, snap
I'ma pose so you can get, get a snap, snapTake ya cameras out, get your flash right
Now I'ma pose so you can picture me doin my thing
Let me pose so you can picture me doin my thing
Man, I'ma pose so you can picture me doin my thingGet ya cameras out, get your flash right
Now I'ma pose so you can picture me doin my thing
Let me pose so you can picture me doin my thing
Man, I'ma pose so you can picture me doin my thingGet ya cameras out, get your flash right
Now I'ma pose so you can picture me doin my thing
Let me pose so you can picture me doin my thing
Man, I'ma pose so you can picture me doin my thingGet ya cameras out, get your flash right
Now I'ma pose so you can picture me doin my thing
Let me pose so you can picture me doin my thing
Man, I'ma pose so you can picture me doin my thingCheese, say cheese
Say cheese, say cheese
Say cheese, say cheese
