Let's Ride

Kid Rock

Used as a scapegoat and taped to the wall
Bruised and abused on some foreign soil
Trained to kill baby, that's what we do
And programmed to bleed red, white and blueC'mon and grab your guns, let's ride
And may your conscience be your guide
I'll say a prayer for you to make it through to the other side
Tonight's the night, we fight or dieGrab your guns son, said we headed for war
Like your uncle JT done years before
No pussy, no dope, this ain't Saigon
But keep your heads up for roadside bombsC'mon and grab your guns, let's ride
And may your conscience be your guide
I'll say a prayer for you to make it through to the other side
Tonight's the night, we fight or dieEven in darkness, you're my strength, my soul, my will to survive
But in this fight I stand ready to dieC'mon and grab your guns, let's ride
And may your conscience be your guide
I'll say a prayer for you to make it through to the other side
Tonight's the night, tonight's the night
C'mon and grab your guns, let's ride
And may your conscience be your guide
C'mon
C'mon
C'mon
C'mon
C'mon
C'mon, yeahOh oh oh oh whoa
Oh oh oh oh whoa
Oh oh oh oh whoa
Oh oh oh oh whoa
Oh oh oh oh whoa
Oh oh oh oh whoa
Oh oh oh oh whoa
