Man On The Silver Mountain

HammerFall

I'm a wheel, I'm a wheel
I can roll, I can feel
And you can't stop me turningCause I'm the sun, I'm the sun
I can move, I can run
But you'll never stop me burningCome down with fire
Lift my spirit higher
Someone's screaming my name
Come and make me holy againI'm the man on the silver mountain
I'm the man on the silver mountainI'm the day, I'm the day
I can show you the way
And look, I'm right beside youI'm the night, I'm the night
I'm the dark and the light
With eyes that see inside youCome down with fire
Lift my spirit higher
Someone's screaming my name
Come and make me holy againI'm the man on the silver mountain
I'm the man on the silver mountainCome down with fire
And lift my spirit higher
Someone's screaming my name
Come and make me holy againWell, I can help you, you know I canI'm the man on the silver mountain
I'm the man on the silver mountainJust look at me and listen
I'm the man, the man, give you my hand
I'm the man on the silver mountainCome down with fire
And lift your spirit higher
I'm the man on the mountain
The man on the silver mountain
I'm the night, the light
The black and the white
The man on the silver mountain
