Bad For Me

Bananarama

It's something wonderful when he makes love to me
He's everything I ever need
They can't understand what I see in him
He's so different when we're on our own
He has all the things I can't do without
No matter what you say to me
He will always be my love energy
Burn inside of me, why do they say[Chorus:]
He's bad for me, that's what they say
Bad for me but I don't care
Bad for me, what do they know
Bad for me, whoa
When he's standing close I'm too blind to see
All the things he doesn't do for me
Just so long as I can be by his side
Doesn't matter, that's enough for me
Don't need anything better in my life
Than my baby when he's holding me
He will always be my love energy
Burn inside of me, why do they say[Chorus]
Whoa
Whoa
He has all the things I can't do without
No matter what you say to me
He will always be my energy
Burn inside of me, why do they say[Chorus]
