

You Alone

[Lincoln Brewster](#)

I get down on my knees and pray
I'll honor You in every way
'Cause now is the time to worship
And now is the time to life Your name You alone are worthy
You alone are worthy
You alone are worthy
To be praised You are my Father I am Your son
I lift my voice to the Holy One
'Cause now is the time to worship
And now is the time to lift Your name You alone are worthy
You alone are worthy
You alone are worthy
To be praised Ya, You alone are worthy
You alone are worthy
You alone are worthy
To be praised I worship Your name I worship You
Lord I give You all my praise
And I'll honor You with my life
All of my days There is none like You
You and You alone are worthy
To receive all my praise
Lord I lift Your name, I lift Your name on high You alone are worthy, You alone are worthy
You alone are worthy, to be praised
You alone are worthy, You alone are worthy
You alone are worthy, to be praised
