

Rest Of My Life

Soldiers of Jah Army

If I could spend the rest of my life with my people, I would do it over and over again
Leave it up to them to fill up their steeple, leave it up to us to fill up on our friends
If I could spend the rest of my life with my people, I would do it over and over again
I'm within my mind and I know there's no equal

When I'm fallin out yo they pull me back in It was long ago and we were younger so
And our lives we part wrote

Feel it, feeling Yeah And i remember everyday, sometimes it's too much to take
I break down, without no heartache

And i mean it, and i mean it If I could spend the rest of my life with my people, I would do it over and over again
Leave it up to them to fill up their steeple, leave it up to us to fill up on our friends
If I could spend the rest of my life with my people, I would do it over and over again
I'm live in my mind and I know there's no equal

When I'm fallin out yo they pull me back in They say we've had fun but let this go
Music don't go deep but no

we think we could help this world if only we try
but we grow up, at least that's what they say

We cant do this when we pray, but I tell myself everyday that none of that applies If I could spend the rest of my
life with my people, I would do it over and over again

Leave it up to them to fill up their steeple, leave it up to us to fill up on our friends
If I could spend the rest of my life with my people, I would do it over and over again
I live in my mind and I know there's no equal

When I'm fallin out yo they pull me back in All i really need, is all i have ever seen
Only thing works for me is to feel it, feeling

And when we turn to leave and others turn to be
its always on my sleeve

and I mean it, and I mean it If I could spend the rest of my life with my people, I would do it over and over again
Leave it up to them to fill up their steeple, leave it up to us to fill up on our friends

If I could spend the rest of my life with my people, I would do it over and over again
I live in my mind and I know there's no equal

When I'm fallin out yo they pull me back in
