

# Any Means Necessary

## HammerFall

I won't pull the trigger, just to see you die  
No remedy to make me come alive  
I'm ticking like a time bomb, no fuse just guts and gore  
Initiate the burning of the core I count down to zero, pull the trigger, no parole  
No mercy no mercy on your soul Kill by any means necessary  
Win by any means necessary  
Live by any means necessary  
Die by any means necessary I am not judgmental  
A sinner nor a saint  
'Cause either you're my best friend or you ain't Come gather here around me  
Feel my breath under your skin  
I'm deadly only when I'm getting caught I count down to zero, I'm a soldier without soul  
No mercy, no mercy on your soul Kill by any means necessary  
Win by any means necessary  
Live by any means necessary  
Die by any means necessary I am born to kill, judge and condemn  
I am born to win, slay and maim 'em  
I am born to live, fight for glory  
I am born to die Kill  
Win  
Live  
Die Kill by any means necessary  
Win by any means necessary  
Live by any means necessary  
Die by any means necessary I am born to kill, judge and condemn  
I am born to win, slay and maim 'em  
I am born to live, fight for glory  
I am born to die, memento mori  
I am born to kill, judge and condemn  
I am born to win, slay and maim 'em  
I am born to live, fight for glory  
I am born to die, memento mori
