Overdrive

Claire

Before you disappear
Before you twist the knife
I'll leave my panic here
'Cause I'm in overdriveYou release your shape
Upon the floor I tread
Before you put your weight
Behind the words I said'Cause I'm in overdrive, overdrive
I'm on the run
In overdrive
In overdrive
Into the nightBetween the shadowlands
Where You must do me ill
Take out your underhands
Swallow the sweetest pill
Before you count yourself
Into the test of time
I'll let your words dissolve
Into this flesh of mineRemember the moment
You're coming alive
It's over drive. It's over drive
