Popular (feat. Lil' Twist)

Lil Wayne

Yeah, she got that good good
She Michael Jackson bad
I'm attracted to her
For her attractive assShe got that good, good
She Michael Jackson bad
I'm attracted to herUh, she a monster, I'm her sponsor
She run through my head, Chris Johnson
I'ma tackle her, get in back of her
Buss it open, suck that pussy like the DraculaWhat your man doing? Tell him fall back
Throw that pussy at me, baseball bat
I kiss her where she point, I make her lose her voice
I see her when I want, call that viewers choiceNumber one lover, she want none other
Don't need another one when we got one another
I take her out, then I take her down
I beat it up twelve roundShe, she got that good, good
She got that, got that good
She got, she got that, got that
She, she got that good, good
She Michael Jackson bad
I'm attracted to her for her attractive assOkay, I'm watching you, baby
And thinking about all of the things
That I can do, babyOn top of the world
When I'm on top of you, baby
Spend the night with me
And get popular baby, po-popular, babyOkay, I'm watching you, baby
And thinking about all of the things
That I can do, babyOn top of the world
When I'm on top of you, baby
Spend the night with me
And get popular baby, po-popular, babyUh, she a monster but I'm a beast tho'
Take her clothes down with my teeth tho'
I beat slow or I can hit it fast
I do it how she ask and I cum lastI bust her ass, we tear it down
Then I gotta slit like James Brown
It's all love, I come back around
And if she back it up, then, then I back it downTell me something is you ready for me, baby
Take this beast of out my pants
And let you pet it for me, babyMy d-ck on professor Klump jump
On this Eddy for me, baby

And when you fuck with me
They give you credit for it, baby, yeahShe, she got that good good
She got that, got that good
She got, she got that, got that
She, she got that good, good
She Michael Jackson bad
I'm attracted to her for her attractive assOkay, I'm watching you, baby
And thinking about all of the things
That I can do, babyOn top of the world
When I'm on top of you, baby
Spend the night with me
And get popular baby, po-popular, babyOkay, I'm watching you, baby
And thinking about all of the things
That I can do, babyOn top of the world
When I'm on top of you, baby
Spend the night with me
And get popular baby, po-popular, babyShe got that good, good
She Michael Jackson bad
I'm attracted to her for her attractive assSo pack your bags, I fly you in
Soon as she land, we get it inShe love to put her legs around my neck
I promise if I fuck her hard
Then she gon' choke me to death
And it always wet don't know
If she the best I ever had
But shes the best I had yetOkay, I'm watching you, baby
And thinking about all of the things
That I can do, babyOn top of the world
When I'm on top of you, baby
Spend the night with me
And get popular baby, po-popular, baby, yeahHey and you get popular, baby
And like a cradle, I'll be rockin' you, baby
I feel good when I'm on top of you, baby
So I'mma stay on top of you, baby, heyYou'll be popular, baby
I'll be rockin' you, baby
I'm on top of you, baby
And I'mma stay on top of you, baby
Young mula, baby
