Strip Me

Natasha Bedingfield

La la la la la la
Everyday I fight for
All my future somethings
A thousand little wars
I have to choose between
I could spend a lifetime
Earning things that I don't need
But that's like chasing rainbows
And coming home empty
And if you strip me,
Strip it all away
If you strip me,
What would you find
If you strip me,
Strip it all away
Ill be alright
Take what you want
Steal my pride
Build me up
Or cut me down to size
Shut me out
But I'll just scream
Im only one voice in a million
but you aint taking that from me
Oh oh no you aint taking that from me x 4
I dont need a microphone, yeah,
To say what I been thinking
My heart is like a loudspeaker
Thats always on eleven
And if you strip me,
Strip it all away

If you strip me,
What would you find
If you strip me,
Strip it all away
I'm still the same
Take what you want
Steal my pride

Build me up
Or cut me down to size
Shut me out
But I'll just scream
Im only one voice in a million
but you aint taking that from me
Oh oh no you aint taking that from me x 4
'cuz when it all boils down
At the end of the day
It's what you do and say
That makes you who you are
Makes you think about it,
Think about it
Doesn't it
Sometimes all it takes is one voice
Take what you want
Steal my pride
Build me up
Or cut me down to size
Shut me out
But I'll just scream
Im only one voice in a million
but you aint taking that from me
Oh oh no you aint taking that from me x 4
