Joe Delord

No Fun At All

Joe Delord, he was a man of resources
Came to earth to fight the dark and evil forces
With a fire in his eyes, strongly burning
And a passion just like no one ever seenHow compassionate you are
Wants to save us from ourselves
How ingenious you are
You'll be sorry when you failLike a guardian of life
You're ambition was too high
Like a sentimental fool
All your efforts so in vainMade a journey with the noblest intentions
To go out and make discreet observations
On his way, he started doubting his mission
Disappointment grew and hope turned out of sight
